Dear Parents and Caregivers,

As we approach the end of the school year I hope that your child has enjoyed their lessons on trumpet/saxophone/trombone. I have heard some very positive comments about it and I'm looking forward to hearing the students play later on this term. To assist in planning for next year and to allow us to determine any vacancies for those students on our waiting lists, can I please ask that you complete the form below and return it to the office by the end of week 7, Friday 2nd December. The special ‘trial offer’ terms will cease at the end of the term and if you choose to continue into next year the fees and charges will be as per indicated in the attached brochure.

The return of the attached brochure will hold and confirm your child’s position in their chosen instrument for 2017.

*Continuing students may keep their hired instruments through the holidays.

In regards to school band positions in 2017;
- all students currently in a school band will remain in a band, some will move from junior to senior
- all woodwind and brass students who have a basic level of ability will be invited to join a band
- a small number of the most capable students learning drums, piano, guitar and bass will be invited to audition for a place in the bands (more information to come)

Please return to the office by Friday 2nd Dec. - Wk 7. Please contact me with any questions you may have.

Kind Regards,

Cathie Turner - Music Coordinator
