

Welcome to Henley Parish Playgroup

Introduction

Henley Parish Playgroup is a place for you to gather with other parents and caregivers, where your children can play with you in a facilitated environment. Please read through this information and complete the membership form on your first visit. We hope you enjoy your playgroup experience with us and look forward to sharing many fun times together.

Playgroup is both enjoyable and beneficial. It is an excellent opportunity for your children to experience group activities, learn to socialise and play in a range of situations. It also gives you the chance to meet other parents, grandparents and carers, make friends and share parenting ideas. Feel free to ask any questions or provide feedback as we welcome new ideas to our playgroup.

About Henley Parish Playgroup

TIME:

Our Playgroup runs on Tuesday mornings during the school term and begins following the 9am MASS around 9:30 and finishes at 11am.

ATTENDANCE RECORD:

Please fill in the attendance record at the start of each session. It is located on the welcome table.

COST:

Your contribution of \$5:00 per family to cover resources, equipment and tea and coffee is appreciated. If you require financial assistance please see the Coordinator.

SPICE PLAYGROUP:

Henley Parish Playgroup is a Supported Playgroup in Catholic Education (SPICE). This is a joint venture between our primary school, Star of the Sea School and our Parish. Our insurance covers you while you are in the hall but not travelling to or from the Playgroup.

A supported playgroup has a coordinator who plans and runs the session each week. Our coordinator has undertaken the SPiCE Training and they attend workshops every year so they can bring you new and exciting learning experiences. All volunteers hold a current Working with Children police clearance.

Henley Parish Playgroup Activities

Activities offered during Playgroup include: - painting, sensory play, construction play, imaginative play, music time, story time and more. It is a chance for parents, caregivers and grandparents to play and interact with their children in a relaxed, supported environment.

Playgroup will begin at 9:30am with indoor play activities. At around 10:30 the children will come together with their parents/carers to listen and join in with a group story and have fruit together. Coming together as a group is an important part of Playgroup and is good preparation for kindergarten and school.

Please encourage your child to participate with you, or sit quietly to watch the group. It can be distracting for those joining in if parents are talking, so let's all sing along and have fun together. Remembering that you are the primary educators of your children therefore children learn the most from you.

Playgroup ends with a shared song time immediately following a story. This provides the opportunity for children to say goodbye to their friends, until they meet again next week.
