

Why come to playgroup?

Playgroup is a fun way to:

- meet other children and families
- have a wide range of play experiences
- spend time together having fun
- talk, sing, read, play and discover
- become part of our school and parish community
- build relationships
- wonder and explore together

Welcome to our Playgroup

We offer a fun place for you and your child to play and learn together and to become a part of our community.

Children are learning from the moment they are born and they mostly learn from playing along with you.

We offer experiences for you to play, talk, sing and read with your child and with other families.

Our playgroup is part of the Supported Playgroups in Catholic Education (SPiCE) program.

Families with children aged birth to four are welcome to attend.

What we do at Playgroup

Playgroup starts at 9:30am and you can stay until 11am.

Most of the session will be time for you and your child to play together and with others. Explore the activities at your own pace with your child leading the way.

We also have times for reading, singing and eating. Look at the routine on the board in the hall for more details.

Please bring:

- A healthy snack NO NUTS
- Water bottle
- \$5 per family each week to cover resources

What is a Supported Playgroup?

A supported playgroup has a coordinator who plans and runs the session each week.

Our coordinator has undertaken the SPiCE Training and they attend workshops every year so they can bring you new and exciting learning experiences.

Our playgroup includes lots of literacy, numeracy and STEM as part of our play... Did you know that children are learning all of this through play and that you can help them?

At Henley Parish Playgroup we have volunteers who can also support you to play and learn with your child, making it easier when you have 2 or more children.
