

To the community of Star of the Sea School, Henley Beach

Dear Community Members

Further to my correspondence of 8 March 2023 announcing that Matthew Perry has been appointed to the position of Principal at Christ the King School, Warradale, I write to inform you that Kelly Manera will remain Acting Deputy Principal at Star of the Sea School, Henley Beach until the end of Term 2, 2023.

I would like to thank Kelly for taking on this key leadership position and wish her every success as she continues to lead Star of the Sea School.

We will soon commence the consultation process for a substantive Deputy Principal. I will write to you again once an appointment has been made.

Yours sincerely

Dr Neil McGoran
Director
